SPORTS n' FUN DAY (11:00 am)

The Spark Within – a discussion with Sunday School children and the Youth Choir

Inspiring Questions: What do you think of when you hear the phrase "the spark within?" What ignites your spark within? What... excites you... stirs you... motivates you... causes you to take action? Doukhobors believe GOD is within each of us. Do you consider THAT to be the spark within? How do you honour or respect that part in you? In someone else?

Answers: on the "Wordle" on page 6 and scattered throughout this booklet, for example "HOPE".
