

Welcome!

Welcome to the Union of Spiritual Communities of Christ (USCC) – a Christian pacifist organization dedicated to sustaining the Doukhobor Life Concept based on the Law of God and the Teachings of Jesus Christ. Members of the USCC regard their Life Concept as a way of life rather than a religious ideology.

More information about the Doukhobor Life Concept, USCC history, current organizational activities, and the benefits and responsibilities of members are available online at the USCC website www.usccdoukhobors.org

Guiding Doukhobor Principles

1. The recognition and love of God – the spiritual force of goodness and creativity – with all one's heart, mind and soul.
2. The principle of “love thy neighbour as thyself”.
3. The manifestation of God's Law through loving attitudes between people. The fulfillment of such attitudes means the renunciation of all violence and war and the attainment of a life of love, peace and good will.

Why Become A Member?

1. To deepen your spiritual understanding, expand your cultural horizons and to construct and belong to a caring and sharing community.
2. To learn about a living culture through active participation with those who have expertise and knowledge of the Doukhobor Life Concept, heritage, history, culture, cuisine and crafts.
3. To interact and work directly with others to promote peace, human rights, economic and social justice and environmental sustainability.
4. To learn and practice non-violent conflict management and resolution skills and secure exemption from military service.
5. To receive a trimester USCC membership newsletter, and access to members only online host discussions.
